# [Download](#)

This is not a standard RPG. It is an RPG that offers a new action and battle system, a brand new custom-made continent and a character creation system that has not been seen before in the genre. You can change your attributes, battle strategy, magic, and much more! In addition, you can directly connect with other players on a global scale. When compared to other action RPGs, the mechanics of the gameplay feature a unique fighting system, where the attacks of the player are transmitted to the character through the controller. In addition, the character of the character is expressed in chibi form and the handling of items has the characteristics of console games. It is set in a world where different races exist, and its world design allows for a variety of scenarios. [Key Features] - Procedural created battlefield - Explore wide world, huge dungeons - Bosses and allies appear - Switch to third person viewpoint - New action battle system - New model for chibi form of character - Battle strategy for players to master - Various races - Three-dimensional world design - Customize appearance, battle equipment, magic, and much more [Contents] [Official Site] [Story] You were born in another world, but the day you were born, a war broke out between the people of the Elden Lands and the tribes of the Dark Wastes, and soon, the people of the Elden Lands were forced to flee their homeland. After years of struggling, the people of the Elden Lands reach the capital city of the people of the Dark Wastes, Estinme. The people of the Dark Wastes, who have one goal in mind, are looking for the children born in the Elden Lands. And after the five children have been abducted by them, the father of the five children, a man with deep scars on his body, begins his journey to the Elden Lands to rescue them. [Character] ■ Appearance You are a male in his 20's. You have a smooth shaven head, a tall and lean figure, and a high level of muscle power. You have acquired your battle experience during your travels, and your fighting techniques are all developed. ## **Features Key:**

High-quality graphics

- A simple, crisp, three-dimensional view of the game world

A vast, big world

- A vast world that is full of variety in its visual design. Open your eyes to a huge, vast, and diverse world in which you can freely roam

An action-RPG where you can freely find new challenges

- A high quality FPS-like action-RPG that allows you to experience intense, fast-paced battles

Immersive single-player system

- A system where you can fully enjoy the story as you progress in the game world.

What kind of game is this?

- A fantasy action RPG unlike any other games. The most intriguing part of this game is that the story about the Lands Between unfolds as a drama with three channels: dialogues, sprites and events. This system allows us to create a unique action RPG experience.

Play with unlimited characters

- Rise, change your fate, and become an aspiring Googan. The versatility of the character system will allow you to develop the character that you want to play as.

Fulfill your dreams

- The Lands Between belongs to those who can rise above their limits. People who are strong-willed and resilient must be born here. We expect those who will be born with the characteristics of those who live and work in the Lands Between to grow, become more vivid in the world, and change. We will work hard for the growth of the Lands Between, as we will be prepared to take the lead.

A challenging game that supports as many as four players

- A high quality FPS game that can be enjoyed as a multiplayer action game for all styles of players.
