As the newly appointed Collector, you are taking on the challenge of traveling to the other side of the Lands Between in search of amazing cards. Controlling the development of your character through different stages as you seek for a way to bend the law and bring life back to the Lands Between. • The Journey of A Collector Along with your journey to the other side of the Lands Between, you will discover an epic drama where the various thoughts of the characters intersect, and the feeling of accomplishment will be shared with all of you by the ingame community. • Do you have what it takes? Since the new type of Hero, Collector, will take on the responsibility of the Lands Between, he or she will be able to choose up to three different games to play. However, as you explore and grow, your task will become harder

and you will be able to find different types of cards.

- Will your heart be heavy or will you feel that your dream is about to come true? Which type of card will you build your Hero with? Will you clear your quest to bring back the life of the Lands Between in just one go, or will you try to get the card that was stolen by another Collector?
- An Intricate Online Multiplayer System In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
- A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of

accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. ABOUT UNRAGE Unrage is a multiplayer online beat 'em up game that allows you to enjoy the three-dimension style RPG in the comfort of your home. ABOUT ULEENA Uleena is an RPG game that opens up a new world to players in the beat '

Enjoy enhanced role-playing by exploring your character's future to create a new and improved story. The main elements: elements and action: In addition to the main elements, one additional element is added

that can be combined with the main elements, and its power is increased exponentially with the number of main elements combined. The process of creating a main element is reversed, and its nature changes depending on the circumstances and the main elements combined. Trine (connect three elements): The elements of the main elements will not disappear if their requirements are not met when changing, but rather flow into another element. In the future, when saving, you can use the main elements as stone, and make the elements grow or shrink with your play style.

Character creation: The main elements: Subclass feature: The main elements: Character creation: The player character and objects are created on a grid-based basis, but you can freely change or remove the parts created. When you create a main element, the various elements used to create the

main element are placed on the grid. The various elements and actions added to a main element are determined in accordance with the class. The main elements can be freely changed for each class. You can freely change a main element while you are in the class, but you cannot change it while your main element is being created. In the Land Between, you can use the class class as a form of armor to wear as a buff. Subclass feature: The subclass feature is a feature that can be set by a main element.
